Dear [FirstName],

Congratulations once again on your selection as a member of the 2020-2021 Key Health Professions Community! We hope you are enjoying every minute of the summer as it passes by quickly. With the start of fall semester so close, we are writing to provide details on the Key Health Professions virtual Key Connect session.

2020 Key Connect will be a virtual experience required for all Key students occurring on **Tuesday, August 25th**.

Key Connect is a time for students to meet everyone in their Community, Key Course Cluster, and their Key Mentor. Students will also have the opportunity to connect with staff involved with the program, learn about campus resources pertinent to academic success during college, and set goals for the semester.

**Key Health Professions Virtual Key Connect Session**
**Tuesday, August 25th 6:00-7:30pm**

We also ask that you log in at [www.key.lc.colostate.edu/keyapp](http://www.key.lc.colostate.edu/keyapp) (select the "Check the Status Of My Key application" button) to ensure all of your Key Community requirements have been completed; including accepting your space in the Key Health Professions Community, electronically signing the Community Agreement and waiver, and providing a photo and bio information. All of these requirements **must be completed** prior to in the start of the fall semester on August 24th.

[FirstName], if you have any questions about Key, Colorado State University, or about Key Connect, please contact me at Brian.Hayes@colostate.edu. We are excited about welcoming you to campus in just a couple weeks!

Sincerely,

Brian Hayes
Coordinator, Key Health Professions Community
