GLOBAL IDENTITY AND ACTION (6 CREDITS)

Key Seminar Class Description: This course will examine what it means to have a global identity and how you can put it to action. Students will consider the following questions: What is a global citizen? What can I do to explore globalization? What types of experiences are others having around the world? How can I broaden my horizons? This course also utilizes an interdisciplinary lens to explore and elucidate the issues, themes, and problems associated with globalization.
