

To the Parents and Families of a Key Student:

Welcome to the Key family! We are so excited to welcome you and your student to campus in just a few short weeks. We are writing to share with you details about our Key Connect Welcome program.

2021 Key Connect will be a face-to-face on campus experience for all Key students occurring Thursday, August 19th! Key Connect is a time for students to meet everyone in their Community, Key Course Cluster, and their Key Mentor. Students will also have the opportunity to connect with staff and faculty involved with the program. Additional information about Key Connect can also be found online at <http://key.lc.colostate.edu/key-connect>.

We're very excited to offer Parent and Family Welcome sessions on Monday, August 16th, Tuesday, August 17th, and Wednesday, August 18th from 4:15-5:00pm and hope you will be able to attend one. We are offering three sessions to accommodate Parents and Families who will be on campus based on your students move-in date.

We would also like to share some information about Adelante Con Nuestra Familia because your student identified that Spanish may be one of the languages spoken in your home. Please click on this link, <http://key.lc.colostate.edu/Adelante>, to access our letter to you and your family. We wanted to be sure to send you a special welcome and let you know that CSU has a number of offices, people, and services that will not only support your student while they are here at CSU, but also support family members!

If you or your student have any questions about Key, the university, or about Key Connect, please contact me at Jessica.Klingsmith@colostate.edu.
