**JOIN US FOR AN INFO SESSION**

## Education Abroad Passport Scholarship

We are excited to share information with you about the [Passport Scholarship](#) and that we have officially re-opened the Passport Acceptance Facility. The Passport Acceptance Facility is located in the Office of International Programs. For information on how to schedule an appointment visit our [Passport Acceptance Facility page](#).

### Passport Scholarship:

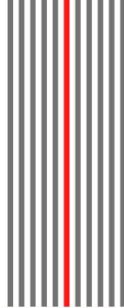

Many individuals have donated to support passport scholarships for CSU students. We are looking for students who are first-time adult applicants with financial need. We hope to break down barriers to international experiences for students. Students do not have to study abroad to be eligible. Passports are valid for 10 years – please encourage even those students who do not have international travel plans to apply.

Applications are open for CSU International Programs - Education Abroad Passport Scholarship:

- **Deadline is February 13, 2022: [Apply for the Passport Scholarship!](#)**
- [Documents needed to apply for a passport](#)
- Passport Scholarship Questions: email [educationabroad@colostate.edu](mailto:educationabroad@colostate.edu)

## Upward Bound is Hiring for the Summer!

[Open Positions](#) | [Access Center](#) | [Colorado State University \(colostate.edu\)](http://Colorado State University (colostate.edu))

Deadline is January 24th!!

If you have any questions please direct them to our Assistant Director, Sean Jaster at [Sean.Jaster@colostate.edu](mailto:Sean.Jaster@colostate.edu) or 303.550.1026

**Are you interested in conservation, adventure, and making a difference?**  
**Apply for the [Siegele Conservation Science Internship!](#)**

The [Colorado Natural Heritage Program](#) (CNHP) is selecting interns for the summer of 2022. This is a **paid summer internship** (\$15/ hour). The Siegele Interns will spend the summer of 2022 (May 19-July 29) with CNHP staff working on conservation projects in the field throughout Colorado. This is a chance to get experience working and living in the field. No prior experience is necessary to apply. Most of the interns are Juniors or Seniors but Sophomores are also encouraged to apply.

**Student Benefits**

- Learn about conservation
- Visit beautiful areas of Colorado
- Meet and work with rare species
- Develop professional skills, including first aid and field safety
- Develop applied conservation skills
- Work outside with conservation professionals
- Develop your personal network
- Build your resume
- Learn how to do fieldwork
- We will help you get academic credit if you wish
- Make life-long friends

**Requirements-**

- Need to be a CSU Student in the summer of 2022 and available May 19-Jul 29 (don't need to be a WCNR major)
- Interest in careers in conservation of biodiversity and natural resources

**Apply by March 1, 2022; here's how:**

- Watch this [video](#)
- Look at this [Story Map](#)
- Email your resume, transcripts, and a cover letter to [susan.panjabi@colostate.edu](mailto:susan.panjabi@colostate.edu) with subject line: Siegele Intern

**CNHP is an inclusive workplace and we encourage diverse applicants to apply for this internship!**

**S RTP** University of Colorado  
Anschutz Medical Campus

**SUMMER RESEARCH TRAINING PROGRAMS AT CU ANSCHUTZ**

APPLY HERE !

The Summer Research Training Programs (S RTP) are paid, 8-week research internships on the University of Colorado Anschutz Medical Campus, with each track focusing on a different aspect of science. **These programs are aimed at creating opportunities for undergraduate students who have been historically underrepresented in science.** The 8-week internship will culminate in both oral and poster presentations as part of a campus-wide summer research symposium. Participation in the program provides students with hands-on experience in a laboratory environment, training to succeed in scientific careers, and a network of faculty and graduate students to provide longitudinal mentorship.

**APPLICATION DEADLINE : MARCH 13TH, 2022 5PM MST**  
**PROGRAM DATES: JUNE 6TH-JULY 29TH, 2022**

EXPLORE OUR TRACK OPTIONS: [HTTPS://WWW.CU-S RTP.COM/](https://www.cu-srtp.com/)

Neuroscience    Physician-Scientist    Immunology    Bioengineering
